A MESSAGE FROM OUR CITY MANAGER

Hi Everyone,

Cities in Cherokee County are participating in a "Mayor's Recycling Challenge" to see who can collect the most recyclables during the months of June and July! This challenge is sponsored by the Cherokee County Chamber of Commerce, Waste Management and North Metro Waste. We want Woodstock to win so get those recyclables to the curb and help our City (and our environment) win! [Event Flyer](#)

Also, don't forget that Waste Management will NOT be picking up garbage or recycling on Thursday, July 4th due to the holiday. If your normal pickup day is Thursday, your trash/recycling will be picked up on Friday and Friday customers on Saturday.

Have a wonderful summer!
